**In 1952**, the Large and Schaaf families founded SkyWay Drive-In Restaurant in Fairlawn. We continue to make our sandwiches with pride, using custom-prepared beef and the best sweet bun in Akron! Aunt Ruth Schaaf perfected the recipes for our homemade onion rings, chilli and vegetable soup that you enjoy today. Our creamy milkshakes are made with real dairy, just like they were in 1952! At SkyWay Drive-In, our tradition to serve you the most delicious original fare continues. *Dine with us often!*
